Seniors blank Falcons

Redmen win opener

by Jerry Grozelle

In spite of a lack of pre-season play, the Haliburton Highlands Secondary School Redmen senior football players showed their team colours when they played host to the Fenelon Falls Falcons. Friday's game in Haliburton saw the Redmen get off to a slow start, building momentum as the game progressed. When it was over the Redmen had a 26-0 win for their efforts.

"We were a little rusty off the start," said Haliburton head coach Tim Davies. "That was indicative of the fact that we didn't have any exhibition games."

The Redmen were in game form by the second quarter, marching the ball all the way up field against the wind. By the half, the Redmen were in front by a 13-0 score.

"Our offensive line did a great job for us," Davies said.

Ryan Anderson scored two touchdowns, one of which was a 91-yard run on a sweep play. Shane Parks and Matt Reid added one TD each.

George Godfrey threw two of the touchdown passes. He also accounted for two conversions.

Fenelon had a good march in the fourth quarter, advancing to the Haliburton 12 yard line.

"They had three cracks from the 12 yard line, but our defence made a good goal line stand," Davies said.

Nate Koz was a stand-out in the Haliburton defensive line, the coach said.

Anderson led Hal High's rushing, with 230 yards. Ashley Walker picked up 70 yards, Darren Gilbert had 50,

TOUCHDOWN: Ryan Anderson catches a pass from Redmen quarterback George Godfrey just outside the Fenelon Falls Falcons' goal line. Anderson scored one of his two touchdowns in the game on this play. Haliburton's senior Redmen romped to a 26-0 win over the Falcons in the first game of the 1997 Kawartha High School Football League season.

while Devon Dart and Greg Simmons had 40 each.

Quarterback George Godfrey completed seven of 12 passes for 110 yards.

Davies called Fenelon's offense "boring." He added that the Falcons' lack of variety in their plays resulted in "kind of a non-game for many of our

defensive players.

On the negative side, Davies said the late start had an effect on the team. "We had a lot of penalties," he noted.

The next game for the Redmen will be Thursday, September 25 at I.E. Weldon in Lindsay.

Preliminary Strategic Plan unveiled

by Jerry Grozelle

A community-based strategic plan for Haliburton County is being developed. With input from two public meetings and information gleaned from a number of existing reports, the Strategic Planning Committee, which includes Jeanne Anthon, Jock Mavor and Doug Holman, in co-operation with Christopher Bryant of Econotrends Ltd., has developed a "vision statement" for the county to strive toward over the next five to 10 years.

The vision statement goal is: *A county with a co-operative environment within which the different players and population groups have worked together to achieve: a sustainable natural environment; a more stable, diversified and year-round economy, based on clean small to medium sized economic activities; residential development, both seasonal and permanent, in keeping with maintaining a small town atmosphere, environmental integrity and adequate accessible services; and a strong sense of regional identity with a more inclusive and tolerant community with all it takes to provide a high quality of life for families and individuals.*

The intent of the plan is to identify and build on the strengths and assets of Haliburton County. Short, medium and long term goals will be set to capitalize on the county's human resources, business potential and natural resources, while maintaining the atmosphere and

(more on page 8)

Business park comes under close scrutiny

Changes to the municipal official plan and zoning by-law will be considered at the September 25 meeting of Anson, Hindon and Minden council. The changes deal with the establishment of the municipally owned business park at the corner of Highway 35 and Prince Street and regulation regarding backlot development.

A public meeting to hear concerns regarding the changes was held September 17 at the municipal office. About 20 taxpayers were on hand to ask questions of the municipality's planner, Bob Lehman, and members of council.

Reeve Jeanne Anthon said one of the priorities of the current council had been to establish a place for business to locate within the municipality. She also noted that planning meetings being hosted by the county had strongly supported the idea of greater diversity of economic opportunities in the Highlands without compromising the environment. "Our efforts

are aimed at creating economic opportunities in this municipality," the reeve said. "In particular we want opportunities which would keep our youth here."

Speaking on the business park, Lehman said it had been the intention of the municipality to establish a business park since 1983, when the township's official plan was first drafted. The changes being considered to the zoning bylaw would recognize the new status of the business park and create a special zoning for the area.

The planner pointed out that while the municipality is hoping to attract manufacturing businesses to the park, restrictions would ensure that any fabrication would not take place outside the buildings. He said, through the use of detailed site plan requirements, such things as outdoor storage of material would be restricted and setbacks would have to be maintained. All the buildings would be connected to the

community's water and sewer system.

He told the gathering that the municipality looked at a number of potential business park locations, most adjacent to Highway 35 and felt this was the most suitable for development at this time. Lehman pointed out the property has easy access to the highway, visibility, and is close to the community.

The land was purchased earlier this year and work began on preparing the street which will cut through the property. So far, the meeting was told, the municipality has spent \$39,000 on site preparation with additional costs expected in the near future.

Opening the meeting to questions, a number of issues were raised about the business park, including the impact on the environment which may be caused by any manufacturing concern that may locate there. "Should we be introducing restrictions on what by-

(more on page 3)

'Friends' back council's efforts

The Friends of the Stevenson farm have backed the efforts of Anson, Hindon and Minden Township council to preserve the farmhouse.

The support came out of a meeting Thursday evening when members of the organization met in the Common Room of the Agnes Jamieson Gallery to discuss the issue.

The municipal council has made several approaches to the management committee of the school board, asking to either purchase or lease the building. While initially there appeared to be some interest on the part of the board committee, the council representatives came away from the latest meeting, held earlier this month, uncertain if an agreement could be reached between the municipality and the board. (Any purchase or lease price would likely be a nominal amount with the municipality assuming the cost of maintenance, repair and liability.)

Time is running out on efforts to strike an agreement. As of December 31, the school board, as it is now constituted, will no longer exist. The province has ordered the amalgamation of the school boards serving Haliburton and Victoria Counties and the District of

ganizational details on its agenda to deal with this issue.

As well, the municipal elections are slated for November 10 at which time a new council could be put in place. The Friends of the Stevenson Farm would then have to convince the new council of the value of preserving the farm house.

The school board announced earlier this year it would like to have the house, located behind Archie Stouffer Elementary School on board property, torn down or removed. The house is no longer occupied and the cost of maintaining it and the potential liability risk prompted the board to ask for tenders for its removal.

A group of Minden citizens, lead by Larry Hodgson, quickly formed an ad hoc group, called the Friends of Stevenson Farm, to preserve the structure. It was cited as being one of the earlier farm houses in the area and therefore represented a valuable piece of the community's heritage.

The Friends have suggested the house could be used as a historical learning centre for students from the nearby elementary school, provide office space for the Minden 2000 Economic Development Committee and possibly provide a facility for other groups interested in the historical or economic development of the area. It was suggested that one group which could make use of the facility would be the bio-regionalism students from Trent University.

"We could see uses for this building

in which elementary students could learn about forestry, agriculture, heritage lifestyles and culture," Larry Hodgson told the meeting Thursday evening. Recalling a personal experience, he noted that he had paid \$30 so his son could travel to Black Creek Pioneer Village just north of Toronto to learn about pioneer skills that could be easily demonstrated in the heritage building right in the school's back yard.

After discussing a number of options, including the possibility of moving the two story structure to the museum complex or the fairgrounds, the group decided to endorse the efforts of council to secure the building for community use. "The Friends support the council's original proposal...and strongly encourage the council to continue the negotiations..." the letter from the ad hoc group said.

The council representatives are expected to attempt to reach an agreement with the management committee at its next meeting in October.

Man charged

Police have charged a 31 year old Minden man with sexual assault. The charge was laid August 29 following a police investigation involving a 14 year old female.

William Stromberg is scheduled to appear in court in Minden October 1 to face the charge.

High risk drivers

Officers from the Minden/Coboconk OPP detachment will be participating in Operation Impact, a national safety campaign. Officers will join other forces across the country to target high risk drivers such as those driving while impaired, at excessive rates of speed or failing to wear a seatbelt.

Stop checks will be set up at various locations throughout the detachment area to help get their message across to errant drivers.

Correction

The report of the airplane accident on KENNISIS Lake which appeared in last week's edition of *The Times* contained some incorrect information. The Real estate agent who was a passenger in the aircraft, Gloria Carnochan, is a sales representative for Countrywide Haliburton Realty Ltd. She is the former owner of Backwoods Marina on KENNISIS Lake. We apologise for any confusion our report may have caused.

Muskoka. Once that takes place, it is likely the new board will have too many or-

PLAZA
 Conveniently Located, Lots of Parking

Township will consider changes Thursday

(from page one)

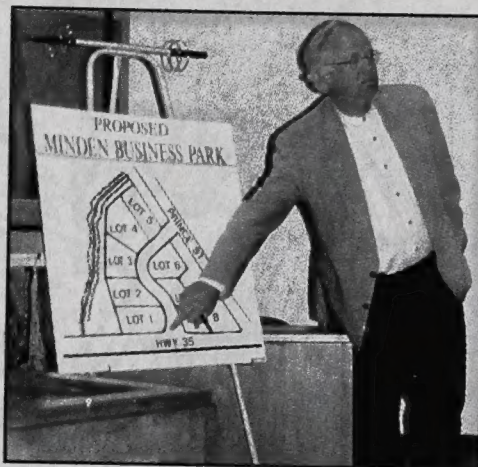

products any concern can produce?" one questioner asked. "Will we have as much control over the second owners as we will over the individual who purchases a lot from the municipality?" Lehman said there was no legal method to bind a second owner to restrictions beyond those in the zoning bylaw. He also said he did not expect the park to attract a "manufacturing" concern to locate in the business park. He also pointed out that effluent flowing through the town's sewage treatment plant is monitored on a daily basis so if dangerous chemicals, for example, were disposed of, it would quickly become obvious.

Another member of the audience asked when the lots would be available and how much they would cost. Reeve Anthon said the price would depend on the cost of preparing the site. "We are not planning on making a profit, but want to recover our costs," she told the meeting. The lots will go on sale when final approval is received from the provincial government for the changes to the official plan and zoning bylaw. While a proposed layout of the property, divided into eight lots, was on display at the meeting, the reeve said the municipality would be willing to create a lot (within reason) to meet the needs of purchasers.

Concern was expressed about the land on the opposite side of the creek which cuts through the property and is part of the block purchased by the municipality. "There are no plans for that area of the property," the meeting was told. "That area will be used as a buffer."

A concern was also raised as to whether the new road, which will replace the Prince street entrance on Highway 35, will be able to handle the truck traffic that could be expected in a business park. It was pointed out that the property owners in the park will

Township planner Bob Lehman explains details of a the new Minden business park.

have to provide adequate space for delivery trucks to park and turn around on their own property. It was also suggested that the trucks will not likely proceed into the village after making a stop in the business park, but would probably return immediately to Highway 35.

Lehman noted that the two lots adjacent to Highway 35 could be used for commercial purposes but that the zoning amendments had placed a 6000 square foot minimum on commercial structure. "This would all but eliminate any potential loss of business to the downtown," the planner said. He pointed out that any business interested in a location next to the highway wouldn't be interested in the downtown option. He also pointed out it is not the municipality's job to dictate what types of commercial enterprises (ie, ones competing with established businesses) come to the community. He said it was the municipality's function to set standards, ensure they are enforced and create a cli-

mate in which new businesses feel welcome.

No decision has been made on what the municipality might do with the house which is still standing on a portion of the property.

As the meeting closed the comment was made that the municipality has an opportunity to have development occur along the highway in a controlled fashion that will be of benefit to the entire area.

Backlot development

While most of the questions centred around the business park, a number of property owners also expressed concern about backlot development being restricted to lots beyond 1000 feet of a lake shore. (Backlots are defined as the second tier of lots immediately behind lakefront property.)

Several property owners suggested the issue did not receive a complete hearing at this meeting and suggested that a separate meeting be held to consider it by itself. In particular, the owners were concerned how the new regulations would impact on their ability to sever and develop property they now own near area lakes.

The municipality's restrictions on backlot development amounted to "expropriation without having to pay for it" one member of the audience stated and suggested the council was caving in to pressure from lakefront property owners. Questions were also raised as to how the 1000 foot distance was determined and whether a municipal road allowance created a 'natural severance'.

Many of the concerns were related to specific pieces of property and the planner agreed to address these individually with the property owners.

Expansion underway at Minden Valu-mart

The Minden Valu-mart store is getting a facelift and expanding the store area by 2,160 square feet. A 90 by 24 addition is being built on the front of the store.

Owner Lynda Easton said the addition will improve the exterior and give the store a higher profile. She plans to offer a better variety and improve the President's Choice and No Name brand lines. The aisles will be expanded and automatic doors will be added.

"It will give us more room and it will be more attractive," Easton said. "The response from the community has been excellent... very positive. I'm really excited about it."

Access to the store's front door has changed several times since construction began early this month, but it hasn't deterred the store's regular customers. It has been business as usual.

"I hope people aren't too inconvenienced," Easton said. "They seem to be understanding and curious. I'd like to thank everybody for being patient. I'm glad they are continuing to support me."

The work was originally expected to start in the spring, but with the weather refusing to co-operate, workers couldn't get started as early as they had hoped. Construction was postponed until after the Labour Day weekend. Easton said she expects the construction to take several more weeks to complete.

Times cartoonist says adieu to the Highlands

The man whose art has welcomed thousands of people to the Haliburton Highlands is now himself saying goodbye.

Cartoonist Gil Parcell has decided to move to the community of Wellington on Quinte Island near Belleville.

Gil moved to Minden with his wife Mary seven years ago and immediately made an impact on the community by drawing the weekly editorial cartoon for *The Times*. His drawings were often the first thing people turned to when they opened their newspaper each week to learn who or what was the subject of his wit and artistry for that week.

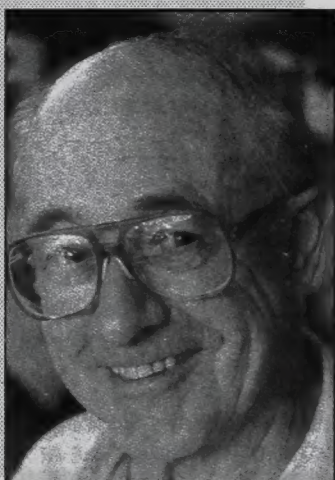

Parcell honed his skills as an artist over many years, working as a commercial artist and cartoonist for a variety of publications. While he came to Minden to retire, he still had an itch to draw and so the weekly editorial page assignment seemed to fill that bill.

That weekly contribution ended about a year ago when neck pain, a result of years of bending over a drawing board, forced him to give up drawing on a regular basis.

He continued to make his skills available and has provided humorous illustrations for a number of articles appearing in this publication and others.

Gil has been described as one of the most widely viewed artists in the county because of a series of posters which he created for *The Times*. The posters, featuring a smiling shopkeeper, sporting a straw boater and apron, welcomed visitors to the Highlands. A new poster is issued each spring and fall highlighting the summer and winter tourist seasons.

Gil says even though he will no longer be a resident of the Highlands he will keep the welcome poster series alive. The next one in the series, for this winter, is

Gil Parcell, former *Times* cartoonist. At the right, one of his 'Welcome to the Highlands' posters.

at the printer.

"It has been a pleasant and rewarding seven years here in Minden," Gil commented last week. "But with Mary gone (his wife died earlier this year), I felt it was time to move on and start a new life."

"I'm sure going to miss everyone, especially the gang at *The Times* office," Gil said.

Gil's daughter, husband and grandchildren are still here so he promises to be back on a regular basis to visit.

"To my cartoon fans, I want to say a big 'thank you' for your support and encouragement over the years. The publisher asked me to create an occasional cartoon, so if I can keep my ailing neck propped up safely, I look forward to those projects with great enjoyment."

"I know our readers would want me to express their appreciation to Gil for the humour and insight his cartoons brought to this newspaper over the years," publisher Jack Brezina commented. "He will be missed."

Editorial Ready for the question

While the generosity of the members of our community has never been in question, it was still heartening to see the involvement of residents in the recent Terry Fox runs. The three local events, in Minden, Haliburton and the high school, raised over \$17,000 for cancer research while at the same time honouring the memory and effort of a true Canadian hero. Hats off to everyone who helped to make the events a financial as well as a community success.

That sort of dedication will soon be needed for a project a little closer to home. Last week it was announced that the official sod-turning for the two capital health projects in the county

have been set for October 24. Health Minister Jim Wilson will be on hand in both Minden and Haliburton as traditional ground-breaking ceremonies mark the start of construction of the two facilities. While the symbolic act of turning the soil will be an important point for the community, (the point at which talking has finally evolved into doing), it will also signal the beginning of a major challenge.

The sod-turning will not only symbolize the provincial government's commitment to the projects, it will be the start of a campaign to meet the community's financial share of the work. Some \$4.3 Million dollars must be raised locally to

match the government's contribution, (based on estimates made several years ago).

While others have worried that the local economy is not strong enough to support such an undertaking, we have always maintained this community will have little trouble raising the necessary funds, especially for this project. We believe the will is here, ingenuity and creativity are alive and ready to be put to use to raise the funds and the people who make up this community are committed to seeing this project through.

Last week, the headline over the article about the Hospital Services Foundation read, 'Ready to pop the question'. We've waited long enough. It's time to get building. We hear the community saying, "Ask me!"

jb

Appalled by the decision

(The following is a letter sent to Victoria/ Haliburton MPP, Chris Hodgson.)

Dear Mr. Hodgson:

As someone who has had the privilege of attending, as an observer, many meetings of the Haliburton, Kawartha Pine Ridge District Health Council, (HKPRDHC), I am appalled at the announcement from the Ontario government that this DHC is about to be amalgamated with Durham DHC.

HKPRDHC has only a few paid staff and many hard-working volunteers. Both staff and volunteers cover many miles in an effort to institute and co-ordinate health-related programs in the four counties. Their work goes largely unnoticed by the general population. Is this why the incompatible merger is being initiated? No understanding of the nature of the mandate is evident in this undertaking. For those of us who are part of rural Ontario, our needs are ignored in favour of the urban areas. Does that mean that we are that much less important? In this instance, that seems to be the case. If amalgamation is considered necessary, it makes more sense to merge with another predomi-

nantly rural area, such as central or northern Hastings County. Consultation with those involved might produce a satisfactory solution.

It seems like yesterday that the Conservative Government was praising and encouraging volunteer participation. The DHCs count on volunteers, co-ordinated by an efficient and dedicated paid staff, to assist the Minister of Health with his/her allocation of resources. Now that the organization has done the dirty work, 'let's render it ineffective', seems to be the message.

There are other areas where larger amounts of money can be saved. A while ago a list of those making more than \$100,000 was published. Even though his area of responsibility has been drastically reduced with Home Care becoming a separate entity, the local Medical Officer of Health got a raise. What happened to the plan to reduce the number of Health Units, thus reducing the number of management positions? No doubt there are similar examples in other departments, where the philosophy seems to be to reduce the number of front line people, but not the

management positions. How much has it cost to debate the Minden Hospital situation? Is it finally settled?

While amalgamations may be necessary to make for greater efficiency, they should not be done by decree, with no attention paid to the varying needs of each area. This proposal for amalgamation with Durham shows total lack of understanding for an organization whose mandate is to advise the Minister of Health on areas of concern and possible solutions geared to needs and expertise available in various areas. How can such an organization function when such total lack of comprehension of their function is manifested.

If it is true that the government puts value on the input of the individual, please consider the needs of rural areas, as well as giving some consideration to the volunteer who devotes time and energy to the betterment of the community.

Please put some common sense into this portion of the "Common Sense Revolution".

Betty Barlow,
Norland.

Reader thinks it's a 'recipe for disaster'

Editor:

I wonder what is happening in ridings represented by PC 'back-benchers', Liberals or NDP. Our man Chris is a senior minister with Mike and the boys, yet we are being totally screwed. This horrendous forced union of our Health Services with Durham is only another disaster since the 'Common Sense Revolution' hit us.

Our "English School District # 15" is larger than many countries and Haliburton has only one trustee to cover the many problems of our vast area. Couple this with the Honourable Snobelen's hatred of teachers and we have a recipe for disaster.

Palladini has forced us to take over dozens of kilometres of roads, yet we don't get a crack at the fuel taxes, licence renewals or any other tax source except the poor, overloaded property owner.

Down-loading of services, charges for policing, and the threat of more amalgamation makes the ordinary middle class taxpayer liable for a terrible load in the future. Perhaps Mike's 20 or so new casinos will generate revenue and give us all jackpots to keep us out of the poorhouse.

Unfortunately, unless the Reform Party decides to go provincial, I can see no alternative to the P.C.'s

Bill Valentine,
Lutterworth.

Too soon, too fast

Editor:

September, and school has begun again--in a continuing climate of questions and uncertainty about what lies in the future. Teachers, administrators, students and parents--we all have questions. What is the new math and language curriculum? How will it affect my child's/student's performance? What is the new report card like? Will I understand it as a parent; as a teacher, do I feel it will adequately depict the performance of each student? How will we be affected by the amalgamation of Victoria and Muskoka boards with the Haliburton County Board of Education? What will the recent Education Improvement Commission (EIC) report mean to our children/students? What changes will result from the federations' (unions) discussions with the government?

Most of these concerns are as yet unresolved. They are in developmental stages only. However, we do have information on the new curriculum which we wish to share with the public. For some time now, teachers have been asking the Ministry of Education for a more detailed curriculum which outlines specific knowledge, skills, tasks and expected performance levels for each grade level. It appears that the Ministry has built on the NDP's Common Curriculum.

At first reading, teachers feel that the ministry has been listening to them. They have included those very things that we have been asking for to improve the teaching, assessment and the evaluation of our students. However, we have been asked to implement the new math and language

curriculum too soon, too fast. We have concerns about this new curriculum because we hold the best interests of our students at heart. We want and need instructions on how best to use the document. Research has established that full implementation and evaluation of a curriculum takes two years--but we are being asked to use the new curriculum now. The government cannot hand teachers and students a new curriculum, which has not been tested prior to its implementation and call it the best thing Ontario educators have ever seen, past or present, and expect everyone to simply buy into their enthusiasm. It is our responsibility as professional educators to study and question any new document as we implement it in our classrooms. The government is already calling this curriculum a victory before we, the people who test it, have begun the game.

We have concerns about the curriculum, questions we want answered, for our sakes as professionals, for the sake of our students' future, for the sake of the parents to whom we are accountable and who desire the best education for their children. Our questions are around raised standards, age and grade appropriateness, new reporting methods, new grading standards and more. These questions are healthy and imperative to the growth of the best curriculum possible.

We, as teachers and administrators, will implement the new math and language curriculums to the very best of our abilities. We appreciate your support in the past and ask for continued support in our efforts to do the best for the students as we work through this task.

Christine Lynd,
President
Haliburton Women Teachers.

Arthur endears himself to the legal beagles

Well, I suppose it was only a matter of time: there is now an entire website devoted exclusively to Canadian lawyers.

Actually, this may be an honour the lawyers would rather live without. This website is the brainchild of Torontonion John Styles. And he is no fan of lawyers. Over the past decade, he's spent tens of thousands of dollars fighting skirmishes with the legal profession. He started the website as a kind of legal Better Business Bureau, separating the saints from the shysters. Anybody with access to a computer can visit the website (<http://www.canlaw.com>) and find out if a specific lawyer has been the subject of a complaint. "We're trying to provide a service to both the legal profession, which refuses to do its own housecleaning, and to the world at large," says Styles.

The man has a point. Lawyers are notoriously reluctant to air their own dirty laundry. Last year in Ontario alone, there were nearly 5,000 complaints registered with the Law Society of Upper Canada.

The Law Society — self-styled watchdog of the legal profession in Ontario — bestirred itself to act on exactly 160 of them — and then issued only a slap on the wrist more often than not.

Will John Styles' website change the common perception of lawyers as pond scum in pin stripes? Probably not — but

the Dumb Lawyer jokes going around may help to vent some of that public spleen. These are examples of less-than-stirring performances by courtroom lawyers who began speaking before their brains were in gear. To wit:

LAWYER: Now Mrs. Johnson, how was your first marriage terminated?

WITNESS: By death.

LAWYER: And by whose death was it terminated?

**

LAWYER: What was your relationship with the plaintiff?

WITNESS: She is my daughter.

LAWYER: And was she your daughter on February 13, 1987?

**

LAWYER: Do you know how many months pregnant you are now?

DEFENDANT: I will be three months November 8th.

LAWYER: Apparently then, the date of conception was August 8th?

DEFENDANT: Yes.

LAWYER: And what were you and your husband doing at that time?

**

LAWYER: Doctor Davis, as a coroner, how many autopsies have you performed on dead people?

WITNESS: All of my autopsies have

been performed on dead people.

**

To be fair, lawyers might be forgiven for the odd mental lapse. They're not always dealing with brain surgeons on the stand:

LAWYER: Mrs. Wilson, is your appearance this morning pursuant to a deposition notice which I sent to your attorney?

DEFENDANT: No. This is how I dress when I go to work.

**

LAWYER: And lastly, Gary, all your responses to my questions must be oral. O.K.? Now what school do you go to?

DEFENDANT: Oral.

LAWYER: How old are you?

DEFENDANT: Oral.

**

LAWYER: Ms. Delacourt, would you describe yourself as sexually active?

DEFENDANT: No. I just lie there.

Nope, lawyers don't have it easy. As the humourist Roy Blount Junior once wrote: Lawyers must go to school for years and years, often with little sleep and with great sacrifice to their first wives."

You can say what you will about lawyers, but when it comes to money...you've gotta hand it to them.

Et cetera
Arthur Black

Youth and seniors vital to plan's success

(from page one)

standard of living residents and visitors have come to expect.

In his presentation to county council, Chris Bryant noted that the process of building this community-based strategic plan is in its preliminary stages.

"We still need more input," he said. "If it's going to be successful, it has to be seen as part of an ongoing process."

Bryant stressed the need to involve youth in the plan.

"Without them, you have no future," he said.

Among the recommendations in the preliminary plan is that a county-based youth group or youth council be established as soon as possible. That youth council should establish an agenda for discussions during the coming year.

Seniors are also recognized as an important segment of the county's population. The plan calls for the formation of an association or working group for seniors and retired people.

The formation of numerous other new groups and associations is recommended. Some of those include:

A community strategic planning committee; a community forum; an economic diversification group; a county environmental advisory group; and a transportation working group.

It was recommended that county council endorse the vision of the county as stated, "to provide the overall framework for planning and managing development in the county."

Working within the guidelines of a completed strategic plan, it is hoped that the various committees, user groups, business leaders and elected officials will have the necessary tools to shape the future of Haliburton County in a way which complements its character and lifestyle, while building its economic base.

Men's hockey
The Minden Monday Night Men's Hockey League is scheduled to begin its season Monday, September 29. The first game will get under way at 8 p.m. at the Minden Arena

Salmon Hunt winners enjoy Haliburton hospitality

by Jerry Grozelle

The weekly and overall winners of the Toronto Star - Toronto Sportsmen's Show Great Salmon Hunt tried their luck (skill) at a different kind of fishing on September 13. Instead of the big wa-

ter of Lake Ontario, they were after the sometimes elusive bass of the Canadian Shield in and around Haliburton County.

Mike Waring of Grimsby, Ontario, had the right combination for the local event, winning the Haliburton Wilder-

ness Bass Tournament with a 4.40 pound largemouth, which he caught from Cranberry Lake in Digby Township. He says he caught the big fish of the day on a spinnerbait. Waring was the first weekly winner of the Salmon Hunt with a 34.22 pound chinook salmon.

The Haliburton Wilderness Bass Tournament was part of the prize package for Salmon Hunt winners. Participants were flown to various lakes in the area by Barry Day of Day Airways, to match wits with each other, as well as their quarry.

Hart Lodge was the base of operations for the local tournament. The idea for the event was conceived by Wayne Cowling, owner of the lodge. A dinner and awards presentations were held at Hart Lodge after the day of fishing. Natural Resources Minister Chris Hodgson was on hand to congratulate the participants and take part in the celebrations.

Hodgson told the group that the Salmon Hunt raised \$60,000, which will

go into a special purpose fund to rehabilitate the Lake Ontario fishery. He thanked Cowling and Day for their participation by hosting the wilderness fly-in bass tournament.

Salmon Hunt director and chairman of the Canadian National Sportsmen's Shows, Walter Oster, acted as master of ceremonies for the awards presentations at the local event. He thanked the local business operators for their hospitality and said they plan to do it again next year.

While the anglers were in search of their quarry, their spouses were taking a tour of some Haliburton County attractions, including the Haliburton Forest and Wildlife Reserve, the Minden Wild Water Preserve, Senitt Puppets, Rickie Woods Pottery, St. Peter's Church and Merv Bunker at Bunker Hill.

"They had a terrific time," Cowling said.

Cowling noted that having the Natural Resources Minister as a guest at the event added credibility. He was grateful that Hodgson was able to be there.

Junior Redmen bow to experience

A more experienced Fenelon Falls Falcons team got the better of the junior Redmen football team in the first league game at the Haliburton Highlands Secondary School field September 19. The Falcons overcame an 8-6 half time deficit to defeat the Redmen 22-8.

"Fenelon Falls has a good team," Haliburton coach Bruce Griffith said. "I think it will be them and us in the final."

The game would have been closer if a touchdown pass caught by flanker

Nick Cochrane hadn't been called back and an interception by tailback Cody Duda, deep in the Haliburton end hadn't been cancelled when officials reversed their decision that it had been a clean interception. The Falcons were given the ball at the Haliburton 10 yard line after the latter call. They scored on the next play.

Duda scored the touchdown for the Redmen and Cochrane caught the two-point conversion pass.

(more on page 12)

VERSATILE ANGLER: Mike Waring of Grimsby shows off the 4.40 pound largemouth bass he caught from Cranberry Lake to win the Haliburton Wilderness Bass Tournament. He is congratulated by Natural Resources Minister Chris Hodgson (centre) and Salmon Hunt Director Walter Oster. A dinner and awards ceremony was held at Hart Lodge.

Hugh Nichol wins club championship

What was originally anticipated to be a very competitive match, turned out to be a walk in the park for Haliburton's Hugh Nichol. Nichol defeated Ken Rosenberg 5 and 4 to win the Club Championship at Blairhampton Golf Club.

The match play tournament started last May with 50 of the area's finest golfers competing for only 32 qualifying positions. Nichol and Rosenberg, long considered the favourites and perhaps the top two golfers in the county, each won four straight matches to earn a spot in the final, which was held on Sunday, September 14.

With the match dead even after nine holes, Nichol broke loose and won five consecutive holes to close out Rosenberg on the 14th hole.

A special presentation will be made to Nichol following the Blairhampton Fall Golf Classic on Sunday, October 5.

Minden duo wins Deerhurst Challenge

Warren Payne and Stu Brandon, both of Minden, are the new champions of The Deerhurst Challenge. In the two-man best-ball event, held at Deerhurst's Highlands Golf Course, Payne and Brandon shot a sparkling eight under par 64 to defeat 20 other teams.

The shot that sealed the tournament was Brandon's approach to the difficult 15th hole. Following a well placed tee shot, Brandon launched the ball with an eight iron. It went directly into the cup for an eagle 2.

"I couldn't see it go in from my vantage point on

the fairway," Brandon said later in the clubhouse, "but it made a peculiar sound with which I'm not familiar."

Playing partner Payne was just as excited and he says he looks forward to defending their title next year.

Deerhurst Highlands is a 6,506-yard, par 72 (36 and 36) course.

Following are the results of The Deerhurst Challenge:

Warren Payne-Stu Brandon	32-32 64
Phil Goulard-Save Loughheed	34-31 65
Jeff Howe-Alex Little	33-32 65
Paul Mayo-Greg Hurre	32-33 65
Ron Rosenberg-Murray Beetlestone	35-30 65
Doug Allison-Jeff Bloomfield	35-30 65
Bill Mitchell-Jimmy Richardson	53-31 66

Kim Varty (# 11) charges down a rain-soaked field during the first field hockey game of the season Wednesday. The local team bowed to the visitors 3-2.

Seniors open season with a win

The senior field hockey team opened the season with a win Wednesday afternoon as the team welcomed St. Peter's Saints of Peterborough to Haliburton. The seniors defeated the visitors 1-0 on the strength on a goal by Inge Haedicke. The seniors also did well at the Kawartha Classic tournament played Saturday in Peterborough. They lost their opening game against Eastdale of Whiby by a 2-1 margin. Amber Lee Cully scored the HHSS marker. In the second contest Haliburton and Adam Scott of Peterborough, the defending champions, played to a 0-0 tie. And in their last match of the day, the seniors defeated Newmarket 2-0. Jenn Turner and Inge Haedicke picking up the markers.

Junior games
The HHSS junior field hockey team

came up short in the opening game of the season Wednesday but came home from a one day tournament Saturday with a second place finish. The season opened Wednesday in the rain at HHSS as the team hosted the Saints from St. Peter's School in Peterborough. The girls lost 3-2 in an excellent opening effort. Emily Brandon and Tanya Sisson scored for the HHSS team. On Saturday the girls placed second in the junior division of the Kawartha Classic played at Kenner High School in Peterborough. The team shut-out Adam Scott 2-0 in the opening game with Kim Varty getting both markers. Tanya Sisson assisted on one of the goals. In the second contest they tied St.

Juniors win exhibition game in Bancroft

(from page 9)

Coach Griffith praised the efforts of quarterback Mike Hamilton, who completed an amazing eight of 10 passes, fullback Mitch Johnson and linebacker Dan Koz, who led the team in tackles, and centre Mark Comeau.

Exhibition game

An exhibition encounter between the junior Redmen and the host Bancroft squad saw the Hal High crew earn a 12-0 victory.

Coach Griffith said the game provided the Hal High boys an excellent opportunity to hone their skills. The Redmen have many Grade 10 players who didn't see much action last year, as well as a host of very athletic Grade 9 players. They were led by Grade 11 third-year players Mike Hamilton and Brock Ladurantaye. Griffith said Hamilton, a rookie quarterback, played like an experienced QB, making few errors as he completed two of five passing attempts and ran a complicated option offense, coached by Trevor Powers.

Rookie tailbacks Cody Duda and Kenny Mott

Knights registration Sept. 28

The Kinmount Knights Minor Hockey registration will be held on Sunday, September 28 at 1 p.m. at the Kinmount Arena.

Boys and girls aged 4 to 14 years are welcome. Registration fee is \$25.

The season will begin with ball hockey on Sunday, October 19. The ball hockey will continue to about mid-December, when the ice will go in and the regular hockey season will start.

Parent volunteers, coaches and referees are needed to help make this another successful season.

For more information, contact Holly Loughheed at 488-3177.

Juniors place second at Peterborough tournament

(from page 11)

Clair of Whitby, 1-1. Heather Little scored the Haliburton goal with Kim Varty assisting.

The third game saw the Haliburton squad go down to a 4-1 score with Kim Varty scoring.

The win, tie and loss in the tournament earned the team a second place finish and the praise of coach Traci Hubbert.

The teams are back on the field this week with games in Peterborough on Tuesday and Port Hope on Thursday.

cached in on their speed and strength, scoring a touchdown each, for the only points of the game.

"Both of these players, who have never played football before, will be stars of the future as they learn the game," Griffith said.

The defence, led by linebacker Danny Koz and tackle Jamie Johnston looked very strong as the Bancroft team spent more time going backwards than up field, Griffith pointed out.

The junior Redmen will play in Lindsay September 25 against the Weldon Wildcats.

CERTIFIED GOLD: Minden Skating Club member Erin Turner received an award of merit from the Canadian Figure skating Association for passing her Gold Free Skating test. She was presented with the certificate last week by MSC president Paul Perreault.

Kickers lose to I.E. Weldon

Senior Redmen halfback, Jamie Douglas, right, challenges an I.E. Weldon player during a game Wednesday at HHSS. The seniors went down to a 4-1 defeat at the hands of the visitors. Nick Fawcett scored the only Haliburton goal on a penalty kick. The junior team also lost to the Lindsay visitors by a 3-1 score.

Somerville to set alcohol policy

The municipal council of Somerville has announced it intends to introduce a policy regarding the consumption of alcohol for all municipally-owned buildings and property.

According to the press release issued last week, "The policy has been developed as a means of enhancing and promoting the social enjoyment and physical safety of everyone who uses these facilities and areas, while at the same time reducing and avoiding alcohol related liability problems."

The policy is now available for review at the

Somerville Township municipal office in Kinmount.

The council is inviting citizens to submit written comments on the policy. These will be accepted until September 26. The comments will be reviewed by the Municipal Alcohol Committee which will meet September 30 at the Burnt River Somerville Centre.

The committee will also welcome people who may wish to speak at the meeting, however, they are requested to contact the municipal office prior to the meeting, to be placed on the agenda.

FAMILY SERVICES OF HALIBURTON COUNTY

NEEDS YOU!

We're new in the community, but parts of the agency have been here offering great SERVICES, for a long time. Now that we're gathered under one roof, we need to find an image for a logo that shows the essence of who we are. That's where you come in: using the following information and themes, give us some ideas for a logo that will tell people who we are.

What we do:

- individual, group, and family counselling
- parent support
- infant-family intervention
- intervention and service coordination for children with special needs
- psychometric services
- community organizing for youth and families

Our beliefs/principles:

- we honour diversity, offering highest quality services to children, youth, and families of any age, beliefs, orientation, background, family make-up
- we honour the individual or family's right to receive the services they ask for
- we are friendly and approachable, and flexible in how services are provided
- we listen and respond to the needs of the community using traditional or innovative methods

THERE WILL BE PRIZES AND CELEBRATION!

Please send your submission by October 10, 1997 to:
Family Services of Haliburton County

Box 1306
Haliburton, Ontario K0M 1S0

All submissions become the property of F.S.H.C.

Gloria Carnochan of Countrywide Haliburton Realty Ltd. will go to any lengths to sell your property.....even take a crash course if necessary. HALIBURTON REALTY LTD.

The big winners

The Haliburton County Association for Community Living received a \$13,000 donation thanks to the efforts of PineStone Resort and area golfers. The money represents the proceeds from a golf tournament held August 24 on the resort's course. PineStone manger Trevor Morgan, centre, presented the donation to ACL co-ordinator Cheyl Curry with resort and ACL staff and clients in attendance. From the left, Nancy Hussey and Doug Kirkham of the resort, association president Pat Burke, tournament director Kimberly Dubblestein and on the right Carol Lefevbre, Doug Johnson and Robin Fletcher.

Health Unit issues second edition

Booklets promote active lifestyles

Staying active year round in the Haliburton Highlands and Victoria County just became a little easier.

The Haliburton, Kawartha, Pine Ridge District Health Unit has announced the reprinting of its booklet "Make a Move for Health: Discover Active Living in Haliburton" (Victoria). This is the second edition for these popular guides.

"The booklets provide information on the benefits of active living, and list the many facilities and enjoyable activities available to the residents of the areas," Leslie Orpana, the health unit's director of nutrition and health promotion commented.

The guide was produced to help residents integrate more physical activity into their daily lives. This second edition of the book expands on the information available in the first printing which was released last spring.

According to the Ministry of Health, most individuals should be involved in at least 30 minutes of moderate physical activity a day. According to a recent survey, only 38 per cent of the residents in this area take part in regular physical activity. Locally, 44 per cent of the males maintain the active regimen, while only 33 per cent of the females do.

Active living is not a matter of strenuous running or lifting weights. Instead, the term refers to moderate physical activity on a daily basis that contributes to over-all health.

"This booklet can help people achieve 'gold medal health'" Orpana commented. "You don't have to train like an Olympic athlete to enjoy a healthy lifestyle.

College will mark anniversary with an open house October 4

Sir Sandford Fleming College is celebrating its thirtieth anniversary this year with an open house at the Haliburton School of Fine Arts. The festivities will take place October 4 between 10 a.m. and 4 p.m. There will be a reception at noon featuring presentations by Victoria/Haliburton MPP Chris Hodgson, County Warden Murray Fearrey, Chair of the Fleming Board of Governors Debra Cooper-Burger and Fleming president Brian Desbiens.

The open house is being held in conjunction with the annual Haliburton Highlands Studio Tour. Visitors to the Haliburton School of Fine Arts will be able to participate in a number of activities including art exhibits, the internet, ecotourism displays, as well as demonstrations of the new audiographics suite and the voice recognition computer which is used in literacy training. There will also be activities from other areas of the College.

"Every room at the School of Fine Arts is booked with an activity," said Haliburton Campus leader Barb

Bolin. "We are urging people to pay us a visit and learn about everything this college has to offer."

Refreshments will be available, with a portion of the proceeds going to the Friends of Sir Sandford Fleming College, the organization which raises funds for student bursaries and other college projects.

"Sir Sandford Fleming College has a 30 year history in this area and this open house is an opportunity for the public to see how we have grown. Not only do we offer tremendous arts programs, but we also provide academic upgrading, part-time courses, the Career and Employment Preparation Program, ecotourism as well as apprenticeship programs," added Bolin. "We invite everyone who is interested to visit with us on October 14."

Stay active -- stay healthy

(from page 15)

Substantial health benefits can be gained just by walking, gardening, dancing, bowling or even washing the car. The trick is to be active every day."

The greatest health benefits of active living are to be gained by those who move from inactivity to moderate activity. These benefits include: decreased risk of developing heart disease and some cancers, improved flexibility, reduced symptoms of depression and anxiety, increased energy, improved self image and an enhanced ability to perform daily tasks throughout life.

With the financial support of the Ministry of Citizenship, Culture and Recreation, 1000 copies of each booklet have been produced for Haliburton and Victoria counties. A separate edition has also been prepared for Northumberland County.

Copies of the booklet are available, free of charge from Haliburton, Kawartha, Pine Ridge District Health Unit offices, municipal offices, recreation centres, the Chamber of Commerce office and various community organizations.

Somerville to set alcohol policy

The municipal council of Somerville has announced it intends to introduce a policy regarding the consumption of alcohol for all municipally-owned buildings and property.

The policy is now available for review at the Somerville Township municipal office in Kinmount.

The council is inviting citizens to submit written comments on the policy.

These will be accepted until September 26. The comments will be reviewed by the Municipal Alcohol Committee which will meet September 30 at the Burnt River Somerville Centre.

The committee will also welcome people who may wish to speak at the meeting, however, they are requested to contact the municipal office prior to the meeting, to be placed on the agenda.

NOMINATION FOR OFFICE

Notice is hereby given to the Municipal Electors of the
TOWNSHIP OF SOMERVILLE

Nominations in the Township of Somerville for the offices of

REEVE - (1 to be elected)
DEPUTY-REEVE - (1 to be elected)
COUNCILLOR - (3 to be elected)

may be made by completing and filing in the office of the Clerk, nominations in the prescribed form.

For information regarding the nomination for office of the following SCHOOL TRUSTEES, please contact the Clerks of the following municipalities:

English Language Public School	Township of Verulam
French Language Public School	Town of Newmarket, or Townships of Anson, Hindon, and Minden

English Language Separate School	Town of Lindsay
French Language Separate School	Town of Lindsay

A Nomination must be signed by the candidate and may be filed in person or by agent on any day in the year that is after March 31st, 1997 and is before October 10th, 1997 between the hours of 8:30 a.m. and 4:30 p.m., and on October 10, 1997. A prescribed nomination filing fee (\$100.00) must accompany the nomination form. A nomination must be certified by the Clerk before such person becomes a certified candidate for the office to which she or he is nominated.

In the event there are an insufficient number of certified candidates to fill all positions available, nominations will be reopened for the vacant positions only on Wednesday, October 15th, 1997 between the hours of 9:00 a.m. and 5:00 p.m. and such additional nominations, if required, may be filed in the office of the Clerk.

Electors are hereby given notice that if a greater number of candidates are certified than are required to fill the said offices, voting places will be opened on the dates stated below for the purpose of voting.

ADVANCE VOTE - Saturday, November 1, 1997 - 11:00 a.m. - 7:00 p.m.
Burnt River Somerville Centre
Burnt River, ON
KOM 1C0

VOTING DAY - Monday, November 10, 1997 - 10:00 a.m. - 8 p.m.

Facelift for Coby train station

-submitted-

The Coboconk Railway Station has undergone some major renovations during the past year as the Laidlaw Heritage Village Board is working to restore the historic structure.

During that time, a summer kitchen was added and a new roof and eavestrough installed. The latest update was a new coat of paint and trim.

The paint was donated by the Sico Paint company, thanks to the efforts of Northern Colours Inc. of Coboconk. The station is now painted yellow with green trim, the original colours of the Grand Trunk Railway at the turn of the century.

The repainting of the exterior of the station took place during a one-day blitz. Included in the brigade of willing hands were volunteers Ray North, Doug Pearce, Gerald Pearce, Pat Russell, Gary Marple, Lorne Mould and Craig Mould.

The committee is still looking for volunteers to assist with a variety of jobs. "If you can hammer, saw, dig or simply have

A fresh coat of paint can make a great deal of difference as is evident in this shot of the Coboconk train station taken last month. A local group of volunteers is working to restore the historic structure.

some time to donate, we'll find a job for you," Lorne Mould, a spokesman for the group said. Anyone wishing to volunteer can contact Lorne at 438-3636 or Ron Downes at 454-3851.

The committee is continuing the fund raising effort to finance the renovations. Tax deductible donations can be made to the Corporation of the Township of Bexley, Train Station Restoration, and sent to Box 90, Coboconk, K0M 1K0.

PineStone

After spending many years in his parents' business on Lake Kashagawigamog, John Teljeur started at PineStone this past spring with the purpose of promoting the Resort and the Haliburton Highlands as a preferred destination for bus tours and tour operators.

In the past several months, John has hosted seniors groups from Woodville, Toronto, Niagara Falls, London, Port Hope, Cobourg, Barrie and Wasaga Beach. They have enjoyed boat cruises, town tours, bingo, card tournaments, nature walks, swimming, golf and gourmet food.

Having spent most of the summer contacting tour operators from all over the province of Ontario, he is now preparing to promote the resort and the Highlands to operators in the United States and Europe.

Changes will protect widows and widowers

Widows and widowers are among the most vulnerable in our society - we should do all we can to support them.

I believe an amendment that was recently tabled at Queen's Park will prove to be a step in that direction.

The proposed amendment is to Bill 99, the Workers' Compensation Reform Act. If approved, it will provide more than \$135 million in new benefits to widows and widowers.

The amendment affects widows and widowers who remarried after April 1, 1985.

At one time, the workers' compensation payments that were paid to widows and widowers only continued if that person did not remarry. Any widows or widowers who did remarry had their pensions cut off - they received a lump-sum payment equivalent to two year's benefits, and nothing else.

This changed somewhat in 1985, when the Workers' Compensation Act was amended to ensure that

people who remarried after April 1, 1985, would continue to receive benefits.

However, this change only helped people who remarried after April 1, 1985. Any widow or widower who remarried before that time was still out of luck.

We believe more needs to be done. We need a system that is fair to everyone, and ensures that we will protect the most vulnerable people in our society.

The amendment to Bill 99 - if approved - will restore benefits to widows and widowers who remarried prior to April 1985. The benefits will be restored retroactive to 1985, when the initial changes were made.

This will likely mean about \$95 million in additional payments to cover lost benefits, and an additional \$40 million in future payments.

However, we're confident all members of the legislature will support the changes. As seniors groups and injured workers groups have told the government, there were injustices in the system that needed to be corrected.

The bill and the amendment will be presented for third reading sometime in the near future. I will be sure to keep you updated.

Queen's Park Report

by Chris Hodgson, MPP

TSW: Lake levels continue to decline

The decline rate of about 3% per week continued up to yesterday on the Haliburton area lakes. They reached 46.9% which is about 7% less water than the 22 year average for that date.

No real need for reserve water on the Kawarthas means that flow from the Haliburton area is likely to stay near minimum. Rain is forecast for later this week and it may soon create a surplus on the Kawarthas.

Otonabee flow is near minimum now at about 20 m3/s. There have been many wet autumns, but usually the flow increases anyway due to reduced losses to evaporation this time of year.

Investment in tourism is paying off: MP

Ottawa report

by John O'Reilly, MP

The summer of 1997 has been another excellent season for the Canadian tourism industry. Tourists have created new jobs and opportunities for Canadians. The Federal government's national tourism strategy, established in 1995, is helping to expand this industry's job-creating potential.

About 492,000 Canadians work in tourism, up 6 per cent from 1993. In the World Tourism Organization's rankings of the most popular international tourist destinations, Canada rose from twelfth place to tenth place between 1994 and 1996. Tourists spent a record \$41.8 billion in Canada in 1996, and 1997 promises to be even better. In the first quarter of 1997, tourists spent \$8.2 billion, a 2.9 per cent increase over the same period last year.

This is substantial progress, but more can still be done to help the tourism industry create jobs. The Tourism Investment Fund was created in July 1997 through a partnership of the Business Development Bank of Canada, the Canadian Tourism Commission, and the tourism industry. This fund, with federal funding of \$50 million, will make possible the investment of as much as \$500 million in high-quality tourist facilities outside major urban centres. With foreign tour-

ists increasingly interested in outdoor and wilderness experiences, there are tremendous opportunities for growth.

The fund will provide loans of between \$500,000 and \$5 million to improve, expand or upgrade tourism facilities, through the Business Development Bank of Canada. Loan repayment will be based on a flexible formula that reflects the potential success of a project. In July 1997 alone, the bank made seven loans totaling almost \$6 million.

Another part of the Federal government's tourism strategy is the 1995 establishment of the Canadian Tourism Commission (CTC) to promote Canada as a tourist destination. The commission works in cooperation with Canadian tourism businesses and associations and the federal, provincial and territorial governments.

The 1997 budget increased annual funding for the CTC from \$50 million to \$65 million over the next three years. This funding will be matched by the indus-

try, to bring the total promotion budget for tourism in Canada to \$130 million a year.

Other federal government initiatives aim to upgrade the skills of tourism workers. For example, the Careers for Youth program is providing professional on-the-job training for 2,400 young people, in positions including sales managers and reservations clerks. The federal government has invested more than \$8 million in this \$27-million project.

Tourism has immense potential for job creation in rural areas as well as in cities. The Federal Government is working in partnership with the tourism industry to ensure the continued growth of this important sector of the Canadian economy.

For information on the Canadian Tourism Commission: call (613) 954-3943; Internet: <http://info.gc.ca/tourism>; For information on the Tourism Investment Fund: 1-888-463-6232

A menagerie of characters will delight the children this year

Parrots; Pirates; Puppets; A Crazy Cat; Rex the Hip Lion; Lunchbag Lizard; Gimquat. What do all these critters have in common? They're all coming to Haliburton County this fall and winter for the 1997/98 Haliburton County Children's Concert Series. Four entertaining and amusing shows have been planned for this season for children of all ages!

• Sunday, November 2, 2:00 p.m. at Haliburton High School: *Capt'n Matt's Treasure Hunt from Join Hands Puppeteers*. This year's show features a fun interactive one-man puppet show in which the audience helps to track down the elusive pirate who has stolen the treasure (a magic storybook). With the audience as his crew, the friendly captain sails to strange and wonderful islands where they meet many magical characters including Cracker the noisy parrot, Bingo the dog, the tricky Gefilte-fish, and even a sharp-toothed, ravenous tyrannosaurus-rex!

• Sunday November 30, 2:00 p.m. at Archie Stouffer School: Waterwood Theatre Projects Inc., to present *Mousetales*. This is a delightful show for children which is imaginative, entertaining and fun. *Mousetales* combines puppetry and classical music to present charming stories, poems and rhymes about a family of mice and their friends Daisy the Cat and Rex the Lion. This show is a wonderful and humorous introduction to the magic of theatre.

• *Ronno & the Lunchbag Lizard* will arrive at the Haliburton Legion on Sunday, January 25, at 2:00 p.m. to sing their way into children's hearts. Ronno promotes positive values and attitudes encouraging respect for ourselves, others and our world. Ronno

brings along the skateboarding Lunchbag Lizard to entertain children in a colourful, catchy, and funny way that kids just love.

• Platypus Theatre finishes off the 1997/98 Haliburton County Children's Concert Series on Saturday, March 7, 2:00 p.m., at Archie Stouffer School. *How the Gimquat Found her Song* brings Gregorian chant and rap to our county with a magician and bird. The bird is unhappy because she has no song. Together they travel through time searching for a song that will suit her. Starting in a monastery, stopping in Leipzig where the audience becomes the choir, and ending with a lively rap, they listen to music and visit the people of ages gone by. This magical voyage with two actors and 6 musicians (playing flute, trumpet, piano, percussion, violin and cello) have made audiences of all ages laugh and cry but everyone leaves smiling at the unexpected ending.

Tickets for all four enchanting shows in this upcoming Children's Concert Series are \$18.00 and are available in Haliburton at Master's Bookstore and C.H.A.C.E. Resource Centre; in Minden at The Store-room and C.H.A.C.E. Resource Centre. For more information or to order tickets please call 457-3414.

The Haliburton Children's Concert Series is a non-profit organization run by volunteers with sponsorship assistance by the Province of Ontario through the Ontario Arts Council. Local sponsors who help to reduce the price of tickets include: Haliburton Lumber, Stedmans, Haliburton, Lil'Bitza Bargains, Floyd Hall Insurance Ltd., Curry Motors Ltd., Financial Concept Group, Westside Jug City and Minden IDA Drug Store.

HALIBURTON COUNTY BOARD OF EDUCATION

BOARD OWNED HOUSE FOR SALE BY TENDER

The Haliburton County Board of Education invites sealed tenders for the sale and removal, at the purchaser's expense, of the Board's house located beside the Dorset Elementary School.

Anyone interested in purchasing this house may view the same by contacting Jim Bradley, Superintendent of Business, at 457-1980 to make arrangements.

A refundable certified cheque or money order in the amount of \$1,000.00 must accompany the tender in order to be considered.

The highest or any tender will not necessarily be accepted.

Sealed tenders marked "Board House" will be accepted until 12:00 noon on Monday, October 13, 1997 and should be forwarded to:

James E. Bradley, Superintendent of Business
Haliburton County Board of Education,
P.O. Box 507,
Haliburton, Ontario K0M 1S0

Attention Anglers

Fish Stocking

The Ministry of Natural Resources, Minden Area Office, invites public to comment on a proposal to stock two lakes in the ministry's Bancroft Administrative District for the 1997/98 fiscal year.

The waterbodies and fish species involved in this proposal are:

Little Dudman Lake	Wildcat Lake
Dudley Township	Eyre Township
Rainbow Trout	Lake Trout

This is the first time these species would be stocked in these waterbodies. This stocking proposal would create new "put-grow-take" fisheries, while providing additional angling opportunities for rainbow trout and lake trout.

These projects are being planned in accordance with the ministry's approved *Class Environmental Assessment for Fish Stocking in New Waters*.

You are invited to direct inquiries or provide comments regarding this proposal to **Dana Kinsman, Area Biologist (see address below), by October 17, 1997.**

If you feel that after consulting with ministry staff that your concerns about this proposal have not been adequately addressed, you may make a request that the project be subject to an individual environmental assessment under the *Environmental Assessment Act*. The decision on whether or not to conduct an individual environmental assessment is determined by the Minister of Environment and Energy.

The Ministry of Natural Resources is collecting comments and information regarding this proposal under the authority of the *Environmental Assessment Act* to assist in making decisions and determining further public consultation needs. Comments and opinions will be kept on file for use during the proposal period and may be included in study documentation which is made available for public review.

Under the *Freedom of Information and Protection of Privacy Act (1987)* personal information will remain confidential unless prior consent is obtained. However, this information may be used by the Ministry of Natural Resources to seek public input on other resource management surveys and projects. For further information regarding this Act, please contact **Dana Kinsman at (705) 286-1521 (Minden).**

For further information, please contact:

Dana Kinsman, Area Biologist

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH PUBLIC NOTICE

File # SR-5/97

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop up, close and convey to the abutting property owner a portion of the original allowance for road set out and described as follows:

FIRSTLY: ALL and singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Gull Lake, lying in front of Part of Lot 17, Concession 10, and being more particularly described as Part 2 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-6220.

THE PROPOSED BY-LAW will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located three miles south of Minden on Highway #35, on the 9th day of October, 1997, at the hour of 4:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

DATED at the Township of Lutterworth this 8th day of September, 1997.

Mary Jane Irwin, A.M.C.T.,
Clerk-Treasurer,
Township of Lutterworth,

The Corporation of the Townships of Anson, Hindon and Minden

Requires

Deputy Returning Officers and Election Clerks

for the 1997 Municipal Election

Experience preferred, but not mandatory.

Advance Voting Days will be held on Saturday, October 25th and Saturday, November 1st, 1997, and Regular Voting Day will be Monday, November 10th, 1997.

Anyone interested, is encouraged to complete an application, available at the Municipal Office, 7 Milne Street, Minden, Ontario, indicating their position and date preference, on or before Friday, September 26th, 1997.

(Ms.) Tammy McKelvey, A.M.C.T.
Clerk-Treasurer

Around the County Town

by Gord Graham (call 286-6506-- FAX 286-3460)

A son announced to his parents that he had a part in a school play.

"I play a man who has been married for 20 years" said the boy.

"That's great son", replied the father. "Keep up the good work and before you know it they'll give you a speaking part".

Volunteers are needed for the Clothing Depot, Mondays from 12-5 p.m. and Saturdays from 10 a.m.--2 p.m. Please call Sandra at 286-6788 or at 286-4906 if you can help. Volunteers are also needed for the Minden Outreach Centre's Youth Group on Tuesdays and Thursdays from 4-9 p.m. Please call Janet at 286-1582 or 286-6473 if you have some time on your hands and would like to help.

The County Town Museum Committee will be holding its next meeting on Tuesday, September 30 at 10 a.m. in the Common Room of the Art Gallery. Committee members are urged to attend.

You know you've reached middle age when your children complain that you don't drive fast enough and your mother accuses you of speeding.

We note that the Put the Word Into Action 'Youth Group' has started again at its drop in centre in the old IGA building. The program runs every Tuesday and Thursday, 4-9 p.m. The organizers are looking for new participants with new ideas to make this an exciting year.

The Friendship Club of St. Paul's

Anglican Church was thrilled, last week, to welcome Katie Parker back from Victoria, B.C. where she had been attending her grandson's wedding. After the initial excitement died down they all got busy playing euchre and Irene Fuhr and Norm Lee managed to hold the high scores. Jeanne Sears held the most lone hands and Ellen Holden the low score. Irene also won the 50/50 draw. Join in the friendship and fun every Monday starting at 1:30 p.m.

Club 35 is 9 kms north of Carnarvon and every Monday at 7:30 p.m. the members and friends meet for euchre. They are always looking for fresh faces so why disappoint them? And don't worry about partners as they are not required. Last week Edith Russell and Bill Cowen had the high scores, Jean Randell and Harv Bunker had the low scores, Mary Pearson had the most lone hands and Bill Cowen won the 50/50 draw. These good folks also have unique awards like a "baloney" which Marion Irwin won and special awards which Mary Pipher and Bill Jordan won.

At the Stanhope Firefighters Hall each Tuesday starting at 1 p.m. contract bridge is played by some excellent players, (and some average players), but the significance is that they all have fun. They all welcomed Betty Roszell back after a 6 week absence and it went right to her head for she (and Betty Culley) bid and made a small slam and she came in second to boot. First was Muriel McIntosh and third was Frank Schlotter. Join them every Tuesday - partners are not required.

Seniors bid euchre results from the Minden Legion were short and sweet as usual. Last week Bess Cox came in first, Gladys Wruth second and Beverly Johnson third. Marg McAfee had the hidden score while Pat Roussel had the only moonshot. Join them each Tuesday in the Legion starting at 1:30 p.m.

It was so nice to welcome the euchre players in Gelert back from the summer holidays. Last Tuesday at 7:30 p.m. in the community centre they held forth and Emily Harvie and Bob Vick received the high scores while Neil Cartwright and Rheta Crofts received the low and Bruce O'Brien the most lone hands. Join them this Tuesday in the Lochlin Community Centre. You'll be more than welcome.

At the Stanhope Firefighters Hall on September 10, the more adventurous met at 7 p.m. for bid euchre. They had 6 moonshots amongst them of which Stan Hill bragged two (I mean bagged). The high score was from Ken Wallace at 308, followed by Gala Stamp 282, Milt Fletcher 281, Stan Hill 257, Dorothy Walters 249 and Pearl Foster 249. Join in the fun every Wednesday evening.

The Minden Legion announced the euchre winners from Thursday, September 11 at 7:15 p.m. and we're glad to publish them. Carla Holmstrom and David Leslie won the most lone hands, Helen Lee and Jim Bradbury had the

high scores while Margaret Fletcher and Vina Dredge had the low scores. Other prizes were awarded to Verna McDonald, Thelma Francis, Carol Hill and Maxine Cross.

Bid euchre players from Club 35, Halls Lake, really enjoyed their potluck supper on Friday, September 12. They had 40 out to enjoy it plus an 8-1/2 lb. trout caught by one of the members. After a filling meal they got down to some good old fashioned cards. John W. was high with 276 followed by Margaret Fletcher 260, Pat Hannah 255, Lew Penick 255, Stan Cline 252 and Edith Russell 244. Diane Peacock and Betty Harper had the hidden score while moonshots went to Stan Cline, Milt Fletcher, Mary Pearson and Edith Russell. Join them every Friday at 7 p.m. for bid euchre.

HEALTH NEWS Skin Savers

Your skin is one of the most important organs of the body - and it's also the largest. Just think about it: if you're of average height and weight, you're literally carrying around about 17 square feet - that's 8 pounds - of skin. It's your most effective natural barrier against the ravages of the environment, ranging from the sun's damaging UV rays, to the chemicals in makeup, to second-hand smoke and other impurities in the air. Unfortunately, we often mistreat our skin.

More next week on skin care.

NOMINATION FOR OFFICE

Notice is hereby given to the Municipal Electors of the
TOWNSHIP OF LUTTERWORTH
Nominations in the Township of Lutterworth for the offices of

REEVE - (1 to be elected)
DEPUTY-REEVE - (1 to be elected)
COUNCILLOR - (3 to be elected)

may be made by completing and filing in the office of the Clerk, nominations in the prescribed form.

A nomination must be signed by the candidate and may be filed in person or by an agent on any day in the year that is after March 31st, 1997 and is before October 10th, 1997 between the hours of 9:00 a.m. and 5 p.m. A prescribed nomination filing fee (\$100.00) must accompany the nomination form. A nomination must be certified by the Clerk before such person becomes a certified candidate for the office to which she or he is nominated.

In the event there are an insufficient number of certified candidates to fill all positions available, nominations will be reopened for the vacant positions only on Wednesday, October 15th, 1997 between the hours of 9:00 a.m. and 5:00 p.m. and such additional nominations, if required, may be filed in the office of the Clerk.

Electors are hereby given notice that if a greater number of candidates are certified than are required to fill the said offices, voting places will be opened on the dates stated below for the purpose of voting.

ADVANCE VOTE(S) - Saturday, November 1, 1997
(1:00 p.m. - 7:00 p.m.)
- Saturday, November 8, 1997
(1:00 p.m. - 7:00 p.m.)

Location - Lutterworth Municipal Office
Highway 35, 3 miles south of Minden

VOTING DAY - Monday, November 10, 1997 (10:00 a.m. - 8 p.m.)

Location - Lutterworth Municipal Office
Highway 35, 3 miles south of Minden

CARDS OF THANKS

My heartfelt thanks goes out to family, relatives, and many friends for the kindness they have shown throughout my knee operation and subsequent recovery. The cards and flowers have been enormous. Special thanks to Dr. Lindsay, Dr. Allen, Dr. Dakin, and all the great nurses at the Ross Memorial Hospital in Lindsay for the wonderful kindness and care that they gave to me during this time. I thank each and every one of you from the bottom of my heart. Thanks again!

Nell Miscio

Turning 50 to some means over the hill,
But to me I feel even younger still.

The family & friends who came out to say,
Happy Birthday on Sunday really made my day.

I'm thanking you all, each and every one,
I truly feel lucky for the plans that were done.

I especially want to thank my wife, who really put together a meaningful day, and my children Jennifer & Jim who pitched right in.

Many thanks to Oswald & Maxine Snell who especially know how to be there for us when work needs done, you're the best. Thanks again.

"See you all again in 50 years time"

Ian Minto

BALDWIN - The families of the late Elwood Baldwin would like to thank the many relatives, friends and neighbours for their cards, flowers, donations to charities, food, and generous acts of kindness during such a difficult time. Thanks to the Doctors and ICU nurses at Orillia Hospital. Special thanks to Rev. Ross Fogwell for a very touching and personal service, to Coboconk Funeral Home, the pallbearers, and the Coboconk Legion for providing lunch. A heartfelt thank you to all.

Wilma & families.

AT REST

POWELL, May

Passed away peacefully at Scarborough Grace Hospital on Saturday, September 13th 1997. At the Age of 87. Wife of the late Joseph Frank Powell of Ingoldsby. Predeceased by her brother Eric and sister Joy. Our Auntie May will be sadly missed by family and friends in Canada and in England. The family would like to thank Bill and Cathy Hurst for their loving care. Family and Friends may visit at the Gordon A. Monk Funeral Home, 127 Main St., Minden (888-588-5777) from 7-9 p.m. on Tuesday. Funeral Service in the Chapel on Wednesday, September 24th, 1997 at 11:00 a.m. Interment to follow at Ingoldsby Pioneer Cemetery. Memorial Donations to the Heart and Stroke Foundation would be appreciated by the family.

GRAHAM, Pearl Faye

Passed away peacefully at her home in Gooderham on Sunday September 21, 1997, in her 68th year. Beloved wife of the late Kenneth Graham (1969). Loving mother of Kenneth Graham Jr. and his wife Verna of Furnace Falls, Marie and her husband Donald Graham, Joan and her husband Alfred Trotter, David Graham and his wife Marg, Wayne Graham, Gary Graham, and Dennis Graham all of Gooderham. Loving grandmother of Alan, Lacey, Linsey, Lesley, Lauren and David. Dear sister of Frederick White and his wife Ona of Oshawa and predeceased by William, Clara, Olive, Albert, Beatrice and Shirley. Peral was the daughter of the late Frederick Graham and Pearl White. Family and friends may visit at the Gordon A. Monk Funeral Home, 127 Main Street, Minden from 2-4 and 7-9 p.m. on Monday. Funeral Service in the Chapel on Tuesday September 23, 1997 at 1 p.m. Interment Gooderham Cemetery. Memorial donations to the Canadian Cancer Society would be appreciated by the family.

IN MEMORIAM

BUNKER, Verna - In loving memory of a dear wife, mother, grandmother, great-grandmother, and sister who went to be with her Lord on September 22, 1996.

When we lay our heads on the pillows

Our hearts beat so fast and tears run so free

As we remember our loved one

She meant so much to us.

When we go outside and the breezes blow so fresh

Oh, how we think about her

When we were so free and the humming birds

Were feeding on the flower trees,

When we don't understand

Trust in Jesus plan

Because he will always hold your hand.

Always loved by.

Your husband Harvey, daughter Lorraine, son-in-law Merlin, son Donald, daughter-in-law Diane, grandsons Mark and Roger, grandson-in-law Michael, granddaughters Lisa and Jill, granddaughter-in-law Joanne, great-grandson Clinton, great-granddaughters Jessica, Jennifer, Sarah, sister Marjorie, and brother Alger.

KIMBLE, Perry Allan - In loving memory of our son, brother and Dad, who left us September 20, 1992.

"I'd like the memory of me to be a happy one."

I'd like to leave an afterglow of smiles when day is done.

I'd like to leave an echo whispering softly down the ways.

Of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve to dry before the sun.

Of happy memories that I leave behind when day is done."

"Verily, verily, I say unto you, Except a corn of wheat fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit." John 12:24.

Loving him forever, We will meet again I Thess. 4:14.

Dad and Mother, Beverly and Shannon and families, and Joshua.

WATSON, Autumn - In loving memory of a dear wife, mother and grandmother who passed away September 26, 1995.

Though her smile is gone forever

And her hand we cannot touch,

Still we have so many memories,

Of the one we loved so much.

Her memory is our keepsake

With which we'll never part,

God has her in His keeping,

We have her in our heart.

Lovingly remembered by her husband, Leo, children and grandchildren.
